

CURRICULUM VITAE

NICOLAE POPA

- Born 1943.
- PhD at University of Bucharest 1970.
- Senior researcher first class at Institute of Mathematics "Simion Stoilow" of Romanian Academy since 1992.
- Full Professor at University of Bucharest, Department of Mathematics since 1997 up to 2009.
- Alexander von Humboldt fellow at University of Saarbruecken Germany 1974, 1979, 1982, 1990.
- "Simion Stoilow" Prize of Romanian Academy for the year 1976.
- Member of Editorial Board at "Revue Roumaine de Mathematiques Pures et Appliquees" since 1987.
- Associate Editor at Journal of Function Spaces and Applications -Scientific Horizon - Delhi, INDIA, since 2003.
- Member of Editorial Board at "Proceeding of Romanian Academy -Math." since 2008.
- Visitors of different Universities. For instance: University of Bordeaux (1993), University Paris 6 - 1993; Several times at University of Karlstad Sweden between 2000-2006; University of Besancon -France 2007.
- Head of relations with Sweden grant EURROMAT-ICA1-CT-2000-7022 between 2000-2004.
- Senior researcher in grant V-Stabi-RUM/1022123.
- Head of the grant CNCSIS-Ideii exploratorii nr 1905 up to 1 September 2009.

Fields of interest:

Function spaces; Operator Ideals; Matriceal Harmonic Analysis.

Scientific Papers

- 2 research monographs, published at Publishing House of Romanian Academy in 1976, respectively 1981 (the latter co-authored with Prof. C. Niculescu), and 4 Chapters in Series : Order Structures in Functional Analysis-Publishing House of Romanian Academy between 1986-2001.
- 56 papers published between 1967-2010.
