

## CURRICULUM VITAE

**Name:** Vasile URSU

**Present Position:**

Researcher Institute of Mathematics Romanian Academy  
Professor Technical University of Chisinau

**Postal Address:**

Institute of Mathematics Romanian Academy  
P.O. Box 1-764  
RO-014700 Bucharest  
Romania

**e-mail:** [Vasile.Ursu@imar.ro](mailto:Vasile.Ursu@imar.ro)

**University Education:**

Electromechanical College of Chisinau, 1970

Mathematics Faculty, State University of Chisinau, 1979

Candidate of Physical and Mathematical Sciences (equivalent of  
PhD): Novosibirsk State University, 1992

*PhD thesis:* Quasivarieties of commutative loops Lup Moufang, Novosibirsk, 1992

Doctor of Physical and Mathematical Sciences (habilitation): Sobolev Institute of  
Mathematics of the Siberian Branch of the Russian Academy of Sciences, Novosibirsk,  
2000

*Habilitation thesis:* Algebraic theory of quasivarieties of commutative Moufang  
loops, Novosibirsk, 2000

**Research interests:**

Algebraic Logic

Theory of Algebraic Systems

Nilpotent Moufang loops and automorphic loops

Theory of quasivarieties of algebraic systems

**Supervising:**

Gurdiş Aliona (associate professor, Tiraspol State University of Moldova)

Covalschi Alexandru (associate professor, State Pedagogical University of Moldova)

**Refereeing activity:**

Buletinul Academiei de Ştiinţe a R. Moldova, Matematica, Kishinev

Revue roumaine de mathematiques pures et appliquees, Bucharest

Algebra and Logic, Novosibirsk

---

**Participation in national and international scientific forums:**

- Congresses V - VIII of Romanian Mathematicians (Piteşti 2003, Bucureşti 2007, Braşov 2011, Iaşi 2015);
- International Conferences (Alma-Ata 1990, Barnaul 1991, Timisoara 1992, Darmstadt 1995, Novosibirsk 1996, Seghet 1996, Prague 1999, Constanta 2009, Lviv 2012, Ohrid 2015, Kyiv 2017, Denver 2017);
- Conferences of the Romanian Society of Applied and Industrial Mathematics (Bucureşti, Oradea, Constanţa, Iaşi, Craiova, Suceava, Chişinău);
- Conferences of the Mathematical Society of Moldova (Technical University, State University, Institute of Mathematics of the Academy, Tiraspol State University, State University Alecu Russo );
- International Conferences “Maltsev Meeting” (Novosibirsk 2010, 2016);
- LOOPS International Conferences (Trest 2011, Ohrid 2015, University of Denver 2017).
