

Transfer from airport to Constanta

1. If you fly to International Bucharest "Otopeni" Airport, please email Denis Ibadula (Denis.Ibadula@univ-ovidius.ro) and specify:

- i. Data of arrival and landing hour;
- ii. Flight company and flight number;
- iii. Preferred hour for the shuttle bus (see details below);
- iv. Your mobile phone number (if your flight is delayed, the bus driver will contact you to postpone your reservation for a different hour).

We will make the reservations for you. From Bucharest "Otopeni" Airport the best way to come to Constanta is to take the shuttle bus (Kirvad Company, <http://kirvad.ro/>) from the airport arrivals gate. Unfortunately, the bus company does not have an english version of the web-site, this is why we are detailing the information below.

The duration of the shuttle transfer from Otopeni airport to Constanta is around 3 hours and 30 minutes. The cost is 80 RON (\approx 18 euros) for the transfer from Otopeni Airport to the bus station in Constanta. The transfer from the bus station to the university hotel will be done for you by the same company, with no extra fees. You can buy the tickets from the driver. It is preferable to have romanian lei in order to pay. The driver can give you a bill, but if you need an invoice too, please email Denis.Ibadula@univ-ovidius.ro so that we can contact the bus company in order to print one for you. Below is the timetable of Kirvad company's buses.
